The Benefits of Membership are Clear!

Restoration Efforts Receive National Recognition!

The North American Lake Management Society (NALMS) presented a Lake Management Success Stories award, at the NALMS reception in Minneapolis, Minnesota, to the Black Hawk Lake Watershed Project, the Black Hawk Lake Protective Association (BHLPA), and the City of Lake View, in recognition of successful lake management efforts. Pictured with the award (from left) are: DNR Fisheries Biologist, Ben Wallace; BHLPA president, Wes Niles; Lake View City Councilman Dave Woltman; and BHLPA member, John Snyder. The mission of NALMS is to forge partnerships among citizens, scientists, and professionals to foster the management and protection of lakes and reservoirs ... for today and tomorrow.
